July 9 (2:00-5:00pm):
• Location – ASDAH, 119 Mountain Road, Mangere Bridge.

Southern Teaching Tips For Young People

July 16 (2:00-5:00pm):
• Location – Longburn, 100 Walkers Road, Palmerston North.

How can I best share Jesus through the lessons, stories, songs and activities in my Sabbath School class?

Teaching Tips For Young People is a seminar offering Sabbath School teachers the chance to sit at the feet of our Adventist School teachers to gain ideas and resources on how to best teach children (of different ages).

The Teaching Tips Seminar will provide:

- Tips on how to engage and teach your age group
- Tips on how to discipline your age group
- Tips on the developmental & spiritual level of your age group
- Tips on where to find activities, crafts and resources for teaching this age group
- An example of a short learning activity from the Bible

Sabbath School age groups covered:

Youth – 16+yrs
Teens – 13-15yrs
Juniors – 10-12yrs
Primary – 7-9yrs
Kindergarten – 4-6yrs
Cradle Roll – 0-3yrs

One of the biggest needs in Children's Ministry is resourcing Sabbath School leaders. They are hungry for knowledge, resources and skills to help them deliver exciting and relevant pictures of Jesus each week with their young people.

One of the greatest resources our church has for our young people are the teachers in our schools. No one has a better insight into teaching the different age groups than the teachers who teach them every single day. Imagine an opportunity for teachers to pass on their experience and insight to Sabbath School teachers! Teaching Tips For Young People is such an opportunity.
